Summary

Aspiring front-end developer in the i.c.stars program, training in JavaScript and React and serving as UI/UX lead on a Medline Industries client project. Brings a year of client-facing office administration and experience leading a 12-person team that set up 30+ workstations.

Skills

- **Technical:** UI/UX design, VS Code, SQL, Microsoft Fabric, Azure; in training: JavaScript, React, HTML/CSS, APIs, data modeling, AI/Copilot, Agile/Scrum
- **Business & hardware:** RFP analysis, SEC filing research, persona and workflow mapping; cabling and testing 30+ workstations
- **Administrative:** Dotloop, Zillow Premium, Facebook, contract review, scheduling, data entry

Technology Projects

UI/UX Lead, Operations Problem Navigator (Client RFP) — i.c.stars Cycle 60 team for Medline Industries · Sep 2026 – Present

- Lead UI/UX design, using Microsoft Fabric, Azure, SQL and VS Code, for a proposed platform that groups recurring warehouse incidents into tracked problems and routes them to IT owners; MVP due December 2026.
- Led the user-experience design of a walkthrough mapping 5 user personas across an 8-step workflow, and researched Medline's 10-K and 10-Q filings to prepare client questions.

Gaming YouTube Channel & Discord Communities — Personal project · 2015 – Present

- Record, edit and publish gameplay videos with custom thumbnails, and administer Discord servers that grow the channel's community.

Experience

Realty Secretary / Administrative Assistant — John Guzman, Kale Realty · Jan 2025 – Jan 2026

- Checked 300+ real-estate contracts and disclosures for completeness, usually within 1–2 days.
- Scheduled appointments between agents and 300+ clients, many of them first-time and low- to moderate-income homebuyers.
- Walked clients, including older adults, through 100+ e-signatures in Dotloop, and kept client files confidential.

Childcare Provider — Various Families · Jan 2013 – Aug 2025

- Trusted by 4 families to care for 8 children ages 4–13, managing schedules, meals and school drop-offs over 8–10 years.

Facilities Assistant / Student Team Lead — Steinmetz College Prep High School · May – Jul 2020

- Led a 12-person student team that prepared 40+ classrooms across 5 floors for the new school year.
- Connected cables for 30+ computers and workstations, then powered on and checked each one to make sure it worked.

Additional: Animal Caregiver / Trainer (2023 – 2025) · Home Renovation Assistant (2024)

Volunteer

Garden Caretaker & Neighborhood Produce Sharing — Chicago, IL · May 2026 – Present: water, feed and maintain a garden of flowers, fruits and vegetables, and share the extra harvest with neighbors.

Education

Technology & Leadership Internship — i.c.stars Chicago · Sep 2026 – Dec 2026 (in progress)
High School Diploma — Steinmetz College Prep High School, Chicago, IL · 2022
